1. cut a slit in the top of the box
- 2.add a generous dab of hot glue to the bottom of the dowel
- 3.push the dowel into the slit and onto the bottom of the box to adhere the dowel in place

4. Assemble the chipboard umbrella and adhere to the dowel with hot glue

4. Assemble the chipboard wheel and adhere to the front of the box with hot glue
5. Measure the wheel height and cut three mail tubes to that height
6. Adhere each gift mail tube to the bottom of the box with hot glue as pictured

4. Cut the stripes from cardstock using a 12x24" cutting mat and adhere them to the box. Continue decorating your cart with the "Ice Cream" label
